Texte de l'enregistrement :

Jayson's mom made bread and butter pudding. But Jayson hates bread and butter pudding.

“Yuck ! I'm not going to eat this !
You can take away my toys !
You can take away my TV !
I don't care, I'm not going to eat this !
You can take away my guitar !
You can take away my ball !
I don't care, I'm not going to eat this !
Can I have something else, please ?”
I like apples and pears,
I like grapes and bananas,
but I like coconuts best. “
